

Welcome to
Active On Screen

Good News Travels Fast.

bydesigninc

Active On Screen...

streams your presentation **within 24 hours.** Now, employees, customers, partners, even analysts and investors can experience it as if they were there.

In the airport, the office or even at home, they'll see a full motion video of you giving your presentation perfectly synchronized with each of your slides in a multi-screen format on your company's custom branded interface **just as you gave it live and in-person.**

ACTIVE ONSCREEN

bydesigninc

Changing the way you communicate

It's fast, easy and very affordable.

The why is up to you, the how and wow is demonstrated at bydesigninc.com/aos.
